

2019 June

GARDENING CALENDAR

SUN	MON	TUE	WED	THU	FRI	SAT
						Summer is here! Check drips, timers and irrigation to ensure proper watering.
2	3	4	5 Add summer color to your garden and patio with vinca, pentas and more!	6	7	8 Prune your plants to help protect them from summer wind storms.
9	10	11	12 Plants turning yellow from extra watering? If so, use Chelated Iron to green them up.	13	14	15 Father's Day is tomorrow. We have gardening tools and more for Dad...
<i>Father's Day</i> 16	17	18	19 Summer Harvest is upon us... check your garden for veggies that are ready to eat!	20	21	22 Plant heat-loving plants like cactus, bougainvillea, aloe, hibiscus and lantana....
23	24	25	26 Have hot spots in your garden? Use shade cloths to protect your plants from extreme heat.	27	28	29 Use mulch to help plants retain soil moisture and reduce the rate of evaporation.
